M A S F R O S T

We are a Polish company managed by leaders with over **20 years experience** in the industry. We are one of the largest producers of frozen vegetables in Central Europe.

We are a significant supplier of high quality frozen vegetables to large multinational companies around the world. Our core products are **frozen peas, supersweet corn, and green beans.**

Our prime objective is to provide products of the highest standard. In order to achieve this we utilize **BRC, IFS** and **HACCP** quality systems which undergo annual certification by TÜV Rheinland.
